EXPERIENCE

Strategic Initiatives, CEO Staff

Intesa Sanpaolo S.p.A.

📅 Feb 2022 – Ongoing 📍 Turin, IT

I'm working for the Strategic Initiatives Unit, part of Strategic Support Department, ISP's CEO Staff organization which is focused on:

- Project management of relevant and highly complex projects;
- Strengthen the core business and supporting the Group's evolution;
- Bespoke analysis to support CEO decisions on specific issues.

Lead Data Engineer - AI Competency Centre

Intesa Sanpaolo S.p.A.

📅 Mar 2017 – Jan 2022 📍 Turin, IT

I worked for the Information System Head Office in the Data Technology Office, where I dealt with:

- Architectural Design of Artificial Intelligence applications;
- Advisory on Artificial Intelligence technologies for IT structures;
- Research and Prototyping of new Artificial Intelligence solutions.

Co-president

Bear Entertainment

📅 Mar 2012 – Ongoing 📍 Turin, IT

I founded BE in 2012 as a non-profit association and as co-president I mainly manage the financial and bureaucratic part of the company which aims to promote the spread of theater culture in the Turin area.

Trading Universiads

Directa Sim

📅 Oct 2014 – Apr 2015 📍 Turin, IT

Seven months trading competition between university teams from all around Europe with real money sponsored by Directa Sim. My team earned +7,02% and qualified in position 31th/150.
